

Awards Criteria

★ A policy must be written for these criteria

Bronze Medal Award Criteria

To become a BRONZE Medal School, you must meet all of the following six Bronze Medal Criteria.

- ★ 1. Write a policy requiring 90 minutes (45 minutes for kindergarten) of structured physical activity each week using the Utah State Office of Education's physical education core curriculum; include methods to ensure faculty awareness of the policy.
2. Teach the Health Education Core Curriculum provided by the Utah State Office of Education.
3. Establish a **Gold Medal Mile** walking program on or around school grounds and a goal for student participation.
- ★ 4. Write a policy that promotes **Safe Routes to School** by requiring the development and distribution of a child access routing plan.
- ★ 5. Write a policy mandating a tobacco-free school and methods in place to ensure awareness of and compliance with that policy.
6. Complete and submit the **Utah School Heart Health Surveys**.

Silver Medal Award Criteria

To become a SILVER Medal School, you must meet a) the Bronze Medal Criteria, b) the following three Silver Medal Criteria, and c) three of the Additional Criteria as selected by your school (see additional criteria).

1. PTA/PTO must coordinate at least one health-related event per year that involves students, parents, teachers, and the principal.
- ★ 2. Write a policy for faculty and staff wellness activities, and include methods to ensure faculty awareness of these activities.
3. Offer a variety of competitive and non-competitive physical activity programs accessible to all students.

Gold Medal Award Criteria

To become a GOLD Medal School, you must meet a) the Bronze and Silver Medal Criteria, b) the following three Gold Medal Criteria, and c) two more of the Additional Criteria as selected by your school (see additional criteria).

- ★ 1. Write a policy that requires all Pre K-12 physical education and physical activity courses to be overseen by certified Physical Education (PE) teachers or PE specialists employed by the school or district.
- ★ 2. Write a policy for all teachers and staff that food is not to be used as a reward or as a punishment for students, and include methods to ensure faculty awareness of and compliance with the policy.
3. Complete four of the following from the **Changing the Scene Program**:
 - ★ a. Write a policy that provides “heart healthy” food choices outside the school meal services and appropriately limits access to vending machines, school stores, snack bars, and other food outlets.
 - b. Enroll school as a **Team Nutrition School** and conduct nutrition education activities and promotions that involve students, parents, and the community.
 - c. Offer nutrition education in the school dining room and in the classroom, with coordination between school food service staff and teachers.
 - ★ d. Write a policy that provides an adequate amount of time for students to eat school meals, and ensures that meals are scheduled at appropriate times.
 - ★ e. Write a policy that bans advertising of less nutritious food choices and promotes healthy food choices.
 - ★ f. Write a policy that requires food service staff to have appropriate pre-service training and regular participation in professional development activities
 - g. Require all organizations to raise funds by selling non-food items.
 - h. Consider student needs in planning for a healthy school nutrition environment by asking students for input and incorporating their feedback into policymaking.
 - ★ i. Write a policy that requires recess to be scheduled immediately before lunch.

Additional Criteria to be Selected by Schools

1. Participate in Walk Your Child to School Day.
2. Participate in the American Heart Association's physical activity and community service programs, Jump Rope for Heart or Hoops for Heart.
3. Participate in the 5 A Day Association's Grocery Store Tours.
4. Participate in the American Diabetes Association's School Walk for Diabetes.
5. Participate in the Truth From Youth ad campaign.
6. Teach a proven effective tobacco use prevention program such as Life Skills Training or Project Towards No Tobacco in the classroom.
7. Utilize the Utah State Office of Education's Child Nutrition Program, Cafeteria Connections, to market and promote the link between the cafeteria and the classroom.
8. Participate in the USDA's Food and Nutrition Service program, HealthierUS Challenge.
